## RESPONSE

On 28<sup>th</sup> February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **COVID-19 National EOC held response coordination meeting with the states' coordination teams in Bayelsa, Borno, Ebonyi, Edo, Gombe, Kano, Katsina and Oyo**
- **Developed more jingles on easing of lockdown**
- **Developed new supply plan, Monitoring & Evaluation framework for COVID-19 commodities**
- **Ongoing commodities and supplies distribution to the newly activated Laboratories**
- **Ongoing state level Infection Prevention and Control (IPC) trainings working with partners to step down trainings at community level**
- High level engagement with Department Hospital Services and Secondary Health facilities to improve patients` management data quality
- Trained 3<sup>rd</sup> batch Health Care Workers (HCWs) in Kano state
- Assessment of Plateau state COVID-19 treatment centre
- Total number of activated labs now 26
- Develop sub-national risk-based decision-making matrix for risk level assessments at states and LGAs
- All education materials can be found via [www.covid19.ncdc.gov.ng](http://www.covid19.ncdc.gov.ng)
